

The Munchkin NOOK

Munchkin-Lullaby

*Hush a bye, hush munchkin child,
End your day, and dream awhile
Sandman brings an everlasting
Wonderland.*

*Hush a bye, hush munchkin child,
The midnight bell now dongs goodnight,
Silent voices taking you to
Dreamy land.*

*Hush a bye, hush munchkin child,
Hush a bye just hush the time,
Be the king, I have the munchkin
Sleepy sand.*
